Title:

Dialogue and new experiences for climate action and care of the planet

Organizers:

Comitato *Cambio io, cambia il mondo* [I change, the world changes Committee] – United Nations Development Program Italy

Event description:

This roundtable involves diverse actors from different regions, united by their engagement in climate action through the empowerment of individuals in their respective communities. The dialogue, curated by Comitato *Cambio io, cambia il mondo* and UNDP Italy, features 6 guests and is made of 3 sections. The goal of this event is to offer a 'third space' for dialogue, allowing participants to meet, listen to each other, share experiences and practices, towards drawing communal guidelines for actions to be implemented in the future.

Agenda:

19.15 – 19.20	Welcome, presentation
19.20 – 19.50	Section I – Guests introduce themselves by sharing an activity from their organization, which empowered individuals to take action.
19.50 – 20.10	Section II – Guests dialogue, responding to the question: in your context, which practices proved effective in fostering or accelerating the growth of networks capable of igniting a social, cultural and/or economic change?
20.10 – 20.25	Section III – Guests share a practice or an anecdote, illustrating the influence of confidence and hope on the activities of individuals, groups and communities.
20.25 – 20.30	Conclusion
