A third instalment of the remaining Euro 1,000,000 of the total amount will be made after receipt of a written request by UNDP to the Donor and a progress report against the work plan and a financial report from UNDP on the second tranche and the use of the previous payment.

(b) The Donor will inform UNDP when the Contribution is paid via an e-mail message with remittance information to contributions@undp.org, providing the following information: donor's name, UNDP country office, Project no. and title, donor reference (if available). This information should also be included in the bank remittance advice when funds are remitted to UNDP.

2. The value of the payment, if made in a currency other than United States dollars, shall be determined by applying the United Nations operational rate of exchange in effect on the date of payment. Should there be a change in the United Nations operational rate of exchange prior to the full utilization by the UNDP of the payment, the value of the balance of funds still held at that time will be adjusted accordingly. If, in such a case, a loss in the value of the balance of funds is recorded, UNDP shall inform the Donor with a view to determining whether any further financing could be provided by the Donor. Should such further financing not be available, the assistance to be provided to the Project may be reduced, suspended or terminated by UNDP.

3. The above schedule of payments takes into account the requirement that the payments shall be made in advance of the implementation of planned activities. It may be amended to be consistent with the progress of Project delivery.

4. UNDP shall receive and administer the payment in accordance with the rules, regulations, policies and procedures of UNDP.

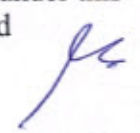

5. All financial accounts and statements shall be expressed in United States dollars.

Article II. Utilization of the Contribution

1. The implementation of the responsibilities of UNDP and of the Implementing Partner pursuant to this Agreement and the Project document shall be dependent on receipt by UNDP of the Contribution in accordance with the schedule of payment as set out in Article I, paragraph 1, above. UNDP shall not start the implementation of the activities prior to receiving the Contribution or the first tranche of the Contribution (whichever is applicable).

2. If unforeseen increases in expenditures or commitments are expected or realized (whether owing to inflationary factors, fluctuation in exchange rates or unforeseen contingencies), UNDP shall submit to the Donor on a timely basis a supplementary estimate showing the further financing that will be necessary. The Donor shall use its best endeavours to make available to UNDP the additional funds required.

3. If the payments referred to in Article I, paragraph 1, above are not received in accordance with the payment schedule, or if the additional financing required in accordance with paragraph 2 above is not forthcoming from the Donor or other sources, the assistance to be provided to the Project under this Agreement may be reduced, suspended or terminated by UNDP. The Parties acknowledge and

recognize that any costs regarding the subject under this CSA will be borne by the Donor with its available budgeted resources and without any additional expenditures for the Government of Italy. The Parties acknowledge and recognize that the Donor shall have no obligation to provide additional financial resources than those stated in the present Agreement. At the same time, the Parties acknowledge and agree that UNDP shall have no obligation to pre-finance any activity under the Project.

4. Any interest income attributable to the Contribution shall be credited to UNDP Account, retained by UNDP and shall be utilized in accordance with established UNDP procedures.

Article III. Administration and reporting

2. UNDP shall provide to the Donor the following reports in accordance with UNDP accounting and reporting procedures:

- (a) an annual status report of Project progress for the duration of this Agreement, as well as the latest available approved budget.
- (b) an annual certified financial statement as of 31 December every year to be submitted no later than 30 June of the following year.
- (c) within six months after the date of completion or termination of this Agreement, a final report summarizing Project activities and impact of activities as well as provisional financial data.
- (d) on completion of the Project, a certified financial statement to be submitted no later than 30 June of the year following the financial closing of the Project.

3. If special circumstances so warrant, UNDP may provide more frequent reporting at the expense of the Donor. The nature and frequency of this reporting shall be detailed in an annex to this Agreement.

Article IV. Administrative and support services

1. In accordance with the decisions, policies and procedures of UNDP's Executive Board reflected in its Policy on Cost Recovery from Other Resources, the Contribution shall be subject to cost recovery for indirect costs incurred by UNDP headquarters and country office structures in providing General Management Support (GMS) services. To cover these GMS costs, the Contribution shall be charged a fee equal to 8%. Furthermore, as long as they are unequivocally linked to the Project, all direct costs of implementation, including the costs of Implementing Partner, will be identified in the Project budget against a relevant budget line and borne by the Project accordingly.

2. The aggregate of the amounts budgeted for the Project, together with the estimated costs of reimbursement of related support services, shall not exceed the total resources available to the Project under this Agreement as well as funds which may be available to the Project for Project costs and for support costs under other sources of financing.

Article V. Evaluation

All UNDP Programmes and Projects are evaluated in accordance with UNDP Evaluation Policy. UNDP in consultation with other stakeholders will jointly agree on the purpose, use, timing, financing mechanisms and terms of reference for evaluating a Project including an evaluation of its Contribution to an outcome which is listed in the Evaluation Plan. UNDP shall commission the evaluation, and the evaluation exercise shall be carried out by external independent evaluators.

Article VI. Equipment

Ownership of equipment, supplies and other properties financed from the Contribution shall vest in UNDP. Matters relating to the transfer of ownership by UNDP shall be determined in accordance with the relevant policies and procedures of UNDP.

Article VII. Auditing

The Contribution shall be subject exclusively to the internal and external auditing procedures provided for in the financial regulations, rules, policies and procedures of UNDP. Should the annual Audit Report of the UN Board of Auditors to its governing body contain observations relevant to the Contribution, such information shall be made available to the Donor by the country office.

Article VIII. Completion of the Agreement

1. UNDP shall notify the Donor when all activities relating to the Project have been completed in accordance with the Prodoc.
2. Notwithstanding the completion of the Project, UNDP shall continue to hold unutilized funds from the Contribution until all commitments and liabilities incurred in implementation of the [Programme/Project] have been satisfied and Project activities brought to an orderly conclusion.
3. If the unutilized funds prove insufficient to meet such commitments and liabilities, UNDP shall notify the Donor and consult with the Donor on the manner in which such commitments and liabilities may be satisfied.
4. In cases where the Project is completed in accordance with the project document any funds below 5,000 USD (five thousand US Dollars) that remain unexpended after all commitments and liabilities have been satisfied shall be automatically reallocated by UNDP. Any funds above 5,000 USD (five thousand US Dollars) that remain unexpended after all commitments and liabilities have been satisfied shall be reallocated by UNDP after consultation with the Donor.

Article IX. Termination of the Agreement

1. This Agreement may be terminated by UNDP or by the Donor after consultations between the Donor, UNDP and the programme country Government, and provided that the funds from the Contribution already received are, together with other funds available to the Project, sufficient to meet all commitments and liabilities incurred in the implementation of the Project. This Agreement shall cease to be in force 30 (thirty) days after either of the Parties have given notice in writing to the other Party of its decision to terminate this Agreement.
2. Notwithstanding termination of all or part of this Agreement, UNDP shall continue to hold unutilized funds until all commitments and liabilities incurred in the implementation of all or the part of the Project have been satisfied and Project activities brought to an orderly conclusion.

3. In cases where this agreement is terminated before Project completion any funds below 5,000 USD (five thousand US Dollars) that remain unexpended after all commitments and liabilities have been satisfied shall be automatically reallocated by UNDP. Any funds above 5,000 USD (five thousand US Dollars) that remain unexpended after all commitments and liabilities have been satisfied shall be reallocated by UNDP after consultation with the Donor.

1. Both the Donor and UNDP are firmly committed to preventing and detecting fraudulent and corrupt practices. Consistent with the UN Charter, the Standards of Conduct for the International Civil Service, the United Nations Staff Rules and Regulations, and UNDP Financial Rules and Regulations and Procurement Manual, UNDP will use reasonable efforts to ensure that the utilization of the Contribution conforms to the highest standard of ethical conduct and that every part of the organization, as well as all individuals acting on behalf of UNDP, observe the highest standard of ethics and integrity.

2. UNDP, in accordance with its regulations, rules and directives, will ensure that any allegations of fraud and corruption in connection with the implementation of the Project are reported to the Office of Audit and Investigations (OAI) in a timely manner. Credible allegations will be investigated by OAI in accordance with its regulations, rules, policies and procedures. UNDP will, in a timely manner and consistent with its regulations, rules, policies and procedures, provide details to the Donor of the outcome of substantiated allegations of fraud and corruption, along with details of action taken by UNDP.

3. Following the conclusion of any investigation which identifies fraud or corruption involving any activities funded in whole or in part with a Contribution made under this Agreement, UNDP will:

- a. Use reasonable efforts to recover any part of the Contribution, which OAI has established as being diverted through fraud or corruption;
- b. In connection with (a) above, in consultation with the UN Office of Legal Affairs, give proper consideration to referring the matter to the appropriate authorities of the Member States where the fraud or corruption is believed to have occurred and to the provisions of General Assembly resolution 62/63; and
