Project sheet

Call for the implementation of some activities, foreseen by the functions defined by art. 34 of Legislative Decree 152 of 3 April 2006, on the implementation of the National Sustainable Development Strategy

TENDER NOTICE OF APRIL 24th, 2018

Project summary – SUSTAINABLE MILK

Purpose of the announcement: To develop activities and initiatives aimed at disseminating and raising awareness on the issues of sustainable development and/or the circular economy.		
Beneficiary: Lombardo Milk District S.c.a.r.l. - (Lodi)		
Duration	7 months	
	Start date of activity: 01/2019	End date of activity: 12/2019
Specific objective	The Sustainable Milk project aims to disseminate and train young generations of farmers on sustainability issues, and on the contents of the SNSvS, starting from farmers, especially young ones.	
Description of the activities	Action 1. Creation of a social network called "SNSS Sustainable Milk" at the young farmers of the stables inherent to the DLL, (about 1.000 stalls), and subsequent animation and updating.	
	Action 2. Carry out animation and dissemination meetings at the members and members of the project premises, with young farmers.	
	Action 3. Create, at the end of the course, a SUSTAINABLE MILK MANIFESTO, with illustrations of concepts and best practices to hang in the barn as a reminder.	
	Action 4. Creation of a final public event for the presentation of both the Manifesto and the	

	Network, which will continue beyond the end of the project itself;
Output	<ul style="list-style-type: none">• Greater sensitivity of young Lombard farmers on sustainability issues;<ul style="list-style-type: none">• Creation of a social network called "SNSS Sustainable Milk": 50 memberships of young farmers;• Organize animation and dissemination meetings at the members and members of the project premises, with young farmers: 10 meetings at the offices of the DLL members;• Create, at the end of the course, a SUSTAINABLE MILK MANIFESTO, with illustrations of concepts and best practices to hang in the barn as a reminder: dissemination and distribution of 5.000 posters in the Lombard barns;• Creation of a final public event for both the presentation of the Manifesto and the Network, which will continue beyond the end of the project itself: creation of 1 public happening of the agricultural youth of sustainable milk.
