Project sheet

Call for the implementation of some activities, foreseen by the functions defined by art. 34 of Legislative Decree 152 of 3 April 2006, on the implementation of the National Sustainable Development Strategy

TENDER NOTICE OF APRIL 24th, 2018

Project summary - LET'S CULTIVATE OUR FUTURE

Purpose of the announcement: Develop activities and initiatives aimed at disseminating and raising awareness on the issues of sustainable development and/or the circular economy		
Beneficiary: R&M Servizi srl - Tortoli (NU)		
Duration	11 months	
	Start date of activity: 01/2019	End date of activity : 11/2019
Specific objective	The SYNERGIC GARDEN AND ORGANIC GARDEN project was based on the design, construction and maintenance of this type of vegetable garden. Educational activities supported this project, deepening topics related to water, land, waste and the world of bees, involving some primary school classes thanks to guided dialogue, frontal teaching and laboratory activities	
Description of the activities	Action 1. Preliminary meetings with the school staff to be involved in the project	
	Action 2. Meetings in the classrooms, with pupils and parents of the school classes involved in the project	
	Action 3. Preparation of the material used in the project, (plates to be affixed in the garden; compounds; scarecrows; soil for seeds; didactic cards	
	Action 4. Creation of seedbeds, within the school complex, for the construction and management of the educational garden

CORRELATION SCHEME BETWEEN THE ACTIVITIES CARRIED OUT BY THE PROJECT AND THE NATIONAL SUSTAINABLE DEVELOPMENT STRATEGY GOALS

The activities carried out are in line with the following objectives of the National Strategy for Sustainable Development and, specifically:

- It involved local populations in pursuing inclusive and sustainable economic growth;
- Sustainable models of production and consumption of agricultural products have been studied and implemented;
- It has defined a path to take measures to combat the causes that are leading to climate change;
